

 **Inner bleed (Safety line) 22mm**  
Please ensure all main part of the design stays  
in view so it will not cut off

 **Tape Width 25mm**  
The final width of the washi tape

 **Outer bleed 28mm**  
Extension of the background, to account for  
natural movement of the paper during printing

 **Printing Repeatedly**  
Design print repeatedly every 35cm.
